

## HELP MHRL PUT ON QUALITY CRAFT SHOWS!

In our desire to put on superior craft shows, MHRL is always looking for quality crafters. As we did last year, MHRL is offering a voucher to any crafter in good standing (with either Fair Diddley or Fall Diddley) who recommends a new crafter to the Mental Health Resource League.

### ***How does it work?***

1. Any Fair or Fall Diddley crafter may recommend or suggest a NEW crafter for either Fair or Fall Diddley.
2. The new crafter must apply, be accepted and sell at Fair Diddley or Fall Diddley.
3. Once new crafter criteria is met, a voucher will be sent (or given) to you as the recommending crafter. The voucher value for a recommended and accepted Fair Diddley crafter is \$25. The voucher value for a recommended and accepted Fall Diddley crafter is \$50.
4. Crafters are free to recommend multiple crafters; thereby earning multiple vouchers to be used toward your application fees.
5. Vouchers may be applied to the following year application.
6. Vouchers MAY NOT be transferred to another crafter.
7. Vouchers are valid until used and have no expiration date.

Do you know a crafter with high-quality products? If so, why not save yourself some money on next year's show(s) by recommending them to the Mental Health Resource League? Where else can a mere suggestion earn you money?

Please send your recommendations – include the crafter's name or business name, crafter's telephone number, and crafter's address (*if known*) – to:
